1. In July 1950 a building used as headquarters and billet by a UDB detachment on the outskirts of Maribor was attacked by a band of Krizari who had been camping in the nearby hills. The Krizari used explosive and incendiary hand grenades, and the building was partially destroyed. The attackers then made a successful escape to the hills.
 2. A second building in the same area was attacked by a group known as the "Kralj Mattija", but this foray was unsuccessful. The leader, a certain Toros, was captured and executed, while his younger brother, also captured, was sentenced to 20 years of forced labor.
